Note: Approved Grace Academy uniforms are only available through the vendors listed above.

Please note the following information to clarify:

- Academy families must purchase approved uniform items through the vendors listed on other side. These vendors are Action Sports, Dennis Uniforms, French Toast, Lands' End, and Tommy Hilfiger. Please do not purchase similar items through other vendors/stores. Each approved item through our listed vendors has been carefully and intentionally chosen for fit and style in order to unify the student body and allow students to avoid distractions related to wardrobe choices. We appreciate your cooperation with this.
- See Dress Code Policy Information Sheet or Student Handbook for detailed dress code policies.
- Note regarding polos: logos are optional for polo shirts, not required.
- Uniform sweaters, sweater vests, and fleece jackets are considered *outerwear* and therefore are required to have a logo. (See vendors for outerwear options.)
- Athletic-style hooded sweatshirts with the Grace Academy logo/design may be worn by any secondary student on Fridays. They are not allowed to be worn in the classrooms on other days of the week.
- Sports jerseys are allowed on game days for school athletes.
- Grace Academy hoodies, blue Adidas Grace Academy pullover with collar, team polo shirts (including school organization polo shirts), and school-issued team jacket are allowed on game days and Fridays (no other specific team shirts may be worn, i.e. team t-shirts or warm-up shirts).
